

## To Whom It May Concern

This is to certify that **Rajat Kumar Burde** has successfully completed his **Graphic Design and UI/UX Design Internship** at **Banter Marketo** from **24th February 2025 to 23rd June 2025**.

During the internship, Rajat worked on a wide range of design tasks — from crafting visually engaging graphics for digital marketing campaigns to contributing to user-centric UI/UX design projects. His ability to understand brand aesthetics and translate them into effective visual content was commendable.

Rajat actively collaborated with the design and strategy teams, using tools like **Figma**, **Adobe Illustrator**, and **Photoshop** to create carousels, social media creatives, web UI mockups, and internal brand assets. He also demonstrated strong attention to design consistency, user flows, and responsiveness in UX-oriented tasks.

He consistently showed creativity, problem-solving skills, and a willingness to learn and adapt in a fast-paced environment.

We appreciate his contribution during his time with us and wish him all the best for his future endeavors.

Sincerely,

For Banter Marketo Digital LLP
